**ACCESS AND INSPECTION OF RECORDS AND PROPERTY.**

Each dealer, shall, during business hours, allow APHIS officials: to enter its place of business; to examine records required to be kept by the Act and the regulations in this part; to inspect and photograph the facilities, property and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations and the standards in this subchapter. On October 19, 2005 from 11:30am to 11:45am there was no one available at the premises for an Animal welfare inspection. A electrician said that the licensee was out of town purchasing supplies. An authorized person needs to be available during normal business hours to conduct an inspection with to ensure the well being of the animals. Please contact me at 703-812-6652 if your hours of availability have changed. Correct immediately.
